Civil Warrior

"Be the WARRIOR of the kingdom of Civilians"

Abstract:

If you have the guts to be a Warrior of civilian society and ready to prove yourself as a classic Civil Engineer, then the platform is here...

Basically it comprises of 3 levels, in which your overall evaluation as a civil engineer is done. You have to put your efforts to complete the given tasks and have to prove yourself as true Civil Engineer. The combination of your team work as well as your mental and physical skills as a Civilian will help you to survive.

So, let the war begin....

Problem Statement:

Level 1: INQUISITION

It's the beginning of the war with tech-o-hunt. You guys will find out different locations with the help of the clues provided and collect the treasure for your kingdom. Only after completing all the given tasks, you are eligible for the next war. Be the INDIANA JHONES of your own kingdom.

Level 2: CATECHISM

Now war will be more of a speedy brain task of different pictorial questions and also the questions related to civil but yes you need to be FLASH(hero) in your job else ZOOM(rival) will destroy you.

Level 3: CIVIL WAR

The last war will decide the winner which will test you not only physically but also mentally.
