Ahmedabad - 380015,  
Gujarat.

## Pharma-Modeling

### Abstract:

The participants have to display the models and explain the basics behind their models that may be in the working condition or just for the purpose of demonstration. The basics of each model may involve the working principle, materials utilized in the manufacturing of the model, efficiency of the model, drawbacks, merits, standard operating procedure of the model, performance optimizing conditions and situations, importance and industrial applications of the model, etc.

### Specifications:

- Maximum 3 participants per team are allowed.
- Both dynamic and static model can be presented.
- Concept of model should be the outcome of participant's mind with proper technical explanation.
- If the model has received any prize in past will not be eligible for the prize in Techfest.
- The model can be presented either orally or with the aid of a poster, which should occupy an area not more than 3\*2 ft.
- Model can be made by utilizing any material.
- Only electricity and water will be provided. You are required to inform 2 days beforehand if you require the same.
- Participants have to report at the venue at least one hour before the commencement of the event.

### Rules:

- Each team member must bring and carry valid identity card of their respective educational institution.
- Participant should remain present at the place allotted to them throughout for specified time.
- Competitors must adhere to the spirit of healthy competition.
