AUTO DEXTEROUS

"Think beyond your limit"

Abstract:

Hello automobile freaks. Are you craving for a platform where you can showcase your creativity and skills to make an automobile? What if we give you, and more people like you who are crazy about automobiles a platform to compete and ask you to make an automobile based on a particular theme? You are most welcome at AUTO DEXTEROUS.

On the spot declaration will be there for the first round. The shortlisted teams from the first round will go for second round. In the second round, kit will be provided to them and they are supposed to make an automobile model based on theme given to them. The shortlisted team from second round will go to the third round. In the third round they are supposed to give the description of their idea behind the model.

Problem Statement:

To create a stunning automobile from the kit and facilities provided and based on the given theme in a predefined time limit and then present it to the judges.

Rules:

- Participants are not allowed to use mobile phone or laptop.
- All the Teams will have to submit the kit given to them after completion of the event.
- The team members will be responsible for any damage or missing parts of the kit or tools given to them.
- The decision of event managers cannot be challenged.
- Strict discipline should be maintained during the event.
