## Poster Presentation

**Description:**

This event involves the intellectual interaction of the presenter with the aid of their posters.

Task: The competitors are supposed to make the posters on following theme: Biosimilars, Artificial intelligence, Network pharmacology, Omic technologies, newly approved treatments and Pharmaceutical advancements.
The participants must explain their posters to the judging panel in the legitimate time span given by host institution.

**Rules:**

- The teams must adhere to the spirit of healthy competition.
- Participant should remain present at the place allotted to them throughout for specified time.
- Organizers reserve the right to disqualify any team indulging in misbehaviour or violating any rules.
- Any team that is not ready at the specified time will be disqualified from the competition automatically.
- The time measured by the organizers will be final and will be used for scoring the teams.
- In case of any disputes/discrepancies, the organizer's decision will be final and binding.
- The organizers reserve the rights to change any or all of the above rules as they deem fit.
- Change in rules, if any will be highlighted on the website and notified to the registered teams.
- In any case participation fees will not be refundable.
- The organizers do not assure of the participation certificates to on-the-spots registrants.
- Certificates will be issued to the team members who remain present.
