Pharmarecipe

"I write before Jupiter, We honor above writing for healthcare - As pharmacist"

Abstract:

The event of Pharmarecipe will teach you to make suitable dosage form, using least number of ingredients within shorter period of time. It will help in appropriate, patient friendly formulation design and administration. The list of ingredients will be given to the participants at the time of event and they have to choose ingredients from given list and make the suitable formulation within given period of time.

Specifications:

A team may consist of a maximum of two participants. Students from different educational institutes can form a team. Students need to have valid I-cards of their respective institutes.

Rules:

- Laboratory equipments would be available for practical part.
- Participants have to select the ingredients from the given list which will be provided at the time of event.
- Participants have to submit the type of dosage form to be prepared with the formula within the first 10 min.
- The team, which has not submitted type of dosage form and formula within 10 min, will be disqualified.
- The preparation has to be submitted within 45 min.
- The participants have to bring labeling & packaging requirements.
- Usage of Mobile phones and internet are strictly prohibited.
- Any kind of misbehavior during the event will not be tolerated and the participants will be eliminated from the event.
- The teams must adhere to the spirit of healthy competition.
- Organizers reserve the right to disqualify any team indulging in misbehavior or violating any rules.
