Electro-Venture

"Watts up! Let's technitiate..."

Abstract:

Who does not love surprises? Electro-venture is here with bunch of surprises. Get ready to be enthralled by twisty situations specially designed for you! Multi-talented electrical enthusiasts, this is where you belong. Electro-venture is a cluster of many events providing a platform for participants to showcase their technical and decision making skills. Start preparing to face challenges on software, designing circuits and practical situations that are unprecedented ever.

Problem Statement:

Come prepared with your skills and head forward by clearing the obstacles including circuit designing and various problem solving situations. Sharpen your coordinative and decision making abilities to enjoy this lush sparky competition.

Specifications:

- Participants must know how to handle basic electrical and electronic devices. Further any required information would be provided at the time of event.

- Creativity and pragmatism will be given preference.

- All the necessary components and software will be provided to you at the time of event.

- If possible teams are requested to bring breadboard, cutter and hook up wires with them.

GTU TECHFEST 2017
